

Advanced Wound Care

Amniotic Membrane Solution

Products4Doctors

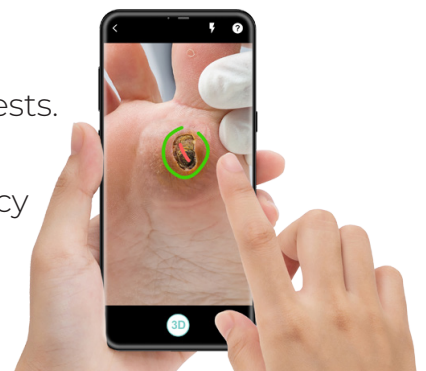

We offer a high reimbursement amniotic wound membrane along with support services and guidance.

Our Amniotic Membrane is a sterile allograft designed for optimal wound covering and protection during the treatment of wounds.

WE MAKE IT EASY FOR YOU:

- ✓ Insurance Verification and Pre-Authorization is provided for your practice.
- ✓ Wound Care App for accurately measuring wounds and ensuring proper documentation.
- ✓ Technical and compliant Billing Service specializing in amniotic membranes.
- ✓ Provide guidance with documentation for medical necessity.
- ✓ Assist in any appeals or insurance requests.
- ✓ Keep providers updated on payer's policy changes.
